¹ Verizon mailed to all carriers identified in DTE 04-33 Attachment A the October 2, 2003 Notice, with the following exceptions: Acceris Communications Corp. f/k/a Worldexchange Corp., ACN Communications Services, Inc., Broadview Networks, Inc., Broadview NP Acquisition Corp., Covista, Inc., DSCI Corp. and New Horizons Communications Corp. In addition, Verizon did not mail the 2004 Notices to Broadview Networks, Inc. or Broadview NP Acquisition Corp. because their interconnection agreements were not executed at that time.

² As stated in Verizon MA's Reply to Briefing Question, compliance with notice provisions of interconnection was not a condition to implementation of the federal rules. However, Verizon MA did inform CLECs in an industry notice of February 10, 2005, that it would implement the mandatory FCC *TRRO* rules as directed by the FCC.
